

## Synergy effects through a joint production site

As part of the continuous optimization of our operational processes, we have decided to merge our production sites in Bad Kreuznach (OPC Optical Precision Components Europe GmbH) and Heuchelheim (PPO Pfeiffer Präzisionsoptik GmbH) at a new location in Biebertal near Wetzlar.

**New address:  
Hainaer Weg 26 in 35444 Biebertal**

This strategic decision is the result of careful planning and long-term considerations. We are convinced that the new production facility will significantly increase our efficiency and innovative capacity while minimizing our environmental impact. This will enable us to offer our valued customers even better products and services.

The new production site in Biebertal near Wetzlar will be equipped with state-of-the-art technology and will provide all the necessary resources to meet our high quality standards. We are confident that this change will further strengthen our commitment to excellence and customer satisfaction.

We would like to take this opportunity to thank you for your continued support and trust. With this decisive step, we are confident to strengthen our partnership and expect to continue working successfully with you.
